Sub: Installation of Solar Rooftop System

Dear Sir/Madam,

With reference to the above mentioned subject we are pleased to announce a significant development at Akar Auto Industries Limited that reflects our commitment to sustainable and environmentally responsible business practices.

We have initiated the installation of Solar Rooftop System with a capacity of 1000 KW. This endeavor is in line with our commitment for contribution to a cleaner and greener environment.

This Installation will successfully lead to a substantial reduction in operational expenses and will significantly improve our profitability and financial performance.

We are proud to take this step towards a more sustainable future and look forward to reaping the rewards of energy efficiency and cost savings that will positively impact our company's future.

We extend our heartfelt gratitude to all our stakeholders for their continued support and commitment to our shared values of sustainability and progress.

Thanking You,

For Akar Auto Industries Limited
